

Murat Serkan

KAYAR

Software Engineer

Hello, my name is Murat, I am 19 years old, and I am studying Software Engineering in Warsaw. I have a passion for software development and enjoy working on various projects. Throughout my education, I have participated in several software projects, which have helped me enhance my problem-solving skills and technical abilities. I am particularly interested in web and mobile application development, and I aim to create innovative solutions in this field.
